

## MATERIAL SAFETY DATA SHEET

### STATEMENT OF HAZARDOUS NATURE

Not classified as hazardous according to criteria of Worksafe Australia.

### COMPANY DETAILS

|                             |  |
|-----------------------------|--|
| Company:                    | <i>Wynn's Australia Pty. Limited</i>   |
| Address:                    | <i>1 Rodborough Road, Frenchs Forest N.S.W. 2086.<br/>P.O. Box 6096, Frenchs Forest N.S.W. 1640.</i> |
| Telephone Number:           | <i>(02) 9451 3444</i>  |
| Emergency Telephone Number: | <i>None Available</i>  |
| Fax Number:                 | <i>(02) 9975 1785</i>  |
| E-Mail:                     | <i>wynnsaus@wynns.net</i>  |

### IDENTIFICATION

|  |   |
|--|---|
| Product Name:                              | <b><i>Wynn's Premium Radiator Flush</i></b> |
| Other Names:                               | <i>None allocated</i>                       |
| Manufacturer's Product Code:               | <b><i>65312 350ml</i></b>                   |
| UN Number:                                 | <i>None allocated</i>                       |
| Dangerous Goods Class and Subsidiary Risk: | <i>None allocated</i>                       |
| Hazchem Code:                              | <i>None allocated</i>                       |
| Poisons Schedule Number:                   | <i>None allocated</i>                       |
| Use:                                       | <i>A water-based cooling system cleaner</i> |

### Physical Description/Properties

|  |                                |
|--|--------------------------------|
| Appearance:                                    | <i>Clear blue-green liquid</i> |
| Boiling Point (°C):                            | <i>100</i>                     |
| Vapour Pressure (pascals or mm of Hg at 25°C): | <i>Not available</i>           |
| Specific Gravity:                              | <i>1.00</i>                    |
| Flash Point (°C):                              | <i>None</i>                    |
| Flammability Limits (%):                       | <i>Not available</i>           |
| Solubility in Water (g/L):                     | <i>Total</i>                   |

### Other Properties:

|                                 |             |
|---------------------------------|-------------|
| <i>pH (100% Concentration):</i> | <i>11.0</i> |
| <i>pH (3% Concentration):</i>   | <i>9.6</i>  |
| <i>Freezing Point (°C):</i>     | <i>0</i>    |

## Ingredients

| <u>Chemical Entity:</u> | <u>CAS Number:</u> | <u>Proportion:</u> |
|-------------------------|--------------------|--------------------|
| sodium nitrite          | [7632-00-0]        | < 10%              |
| sodium borate           | [1303-96-4]        | < 10%              |
| sodium molybdate        | [7632-95-0]        | < 10%              |
| dyes                    |                    | < 10%              |
| demineralised water     | [7732-18-5]        | to 100%            |

## HEALTH HAZARD INFORMATION

### Health Effects

#### Acute

|            |   |
|------------|---|
| Swallowed: | <i>May cause irritation to the digestive tract.</i>   |
| Eye:       | <i>May cause slight irritation, water eyes and blurred vision.</i>                                      |
| Skin:      | <i>May absorb on prolonged and repeated exposure. May cause slight irritation on prolonged contact.</i> |
| Inhaled:   | <i>No effect.</i>   |

#### Chronic

### First Aid

|            |   |
|------------|---|
| Swallowed: | <i>Do not induce vomiting. Give water and call a doctor immediately.</i>              |
| Eye:       | <i>Flush with water for 15 minutes. If irritation persists call for medical help.</i> |
| Skin:      | <i>Wash affected area with soap and water. Remove contaminated clothing..</i>         |
| Inhaled:   | <i>Remove person to fresh air to avoid further inhalation.</i>                        |

First Aid Facilities: *Eye wash station.*

**Advice to Doctor:** *Treat as any thermal burn. Treatment should be based on symptoms and clinical condition.*

## PRECAUTIONS FOR USE

|                       |  |
|-----------------------|--|
| Exposure Standards:   | <i>Threshold Limit Value (TLV) : Not available.</i>  |
| Engineering Controls: | <i>None required.</i>  |
| Personal Protection:  | <i>Personal cleanliness is always appropriated. Frequent washing minimizes inadvertent exposure.</i> |
| Glove Type:           | <i>Rubber, plastic gloves.</i>   |
| Eye Protection:       | <i>Safety glasses.</i>   |
| Flammability:         | <i>Not flammable or combustible.</i>   |

## SAFE HANDLING INFORMATION

- Storage and Transport: *No special storage or transport requirements necessary. Keep out of reach of children. Avoid freezing.*
- Spills and Disposal: *Small spills, absorb with inert absorbent material. Shovel into waste containers. Prevent product from entering drinking water supplies and sewer. Dispose in compliance with Federal, State and Local regulations.*
- Fire/Explosion Hazard: *None indicated. Avoid strong acids, oxidizing materials. Thermal decomposition may produce oxides of carbon and sodium.*

## OTHER INFORMATION

*This material has not been identified as a carcinogen by NTP, IARC or OSHA. Contains no other ingredients now known to be hazardous as defined by OSHA 29CFR 1910.1000(z) and 29CFR 1910.1200.*

## CONTACT POINT
